

Valvole di ritegno in acciaio inox AISI316, serie PN16

Stainless steel AISI316 check valves, class NP16

Art.1020M

*: Filettatura GAS
*: BSPP threaded

DN	H	D
2"1/2	142	113
3"	160	132

Combinazione materiali standard – Standard materials Combination		
316/316		
ITEM	DENOMINAZIONE DENOMINATION	MATERIALE MATERIAL
01	Body end	Stainless steel AISI316 UNI EN10088
02	Body in	Stainless steel AISI316 UNI EN10088
03	Guide bush	PTFE
04	Flow control disc guide	Stainless steel AISI316 UNI EN10088
05	Spring	Stainless steel AISI316 UNI EN10088
06	Disc	Stainless steel AISI316 UNI EN10088
07	Seal ring	VITON or PTFE
Nota: Combinazioni materiali non standard a richiesta Note: Non standard materials combinations on request
